Not today!

It's New Temecula. I just know it. If it's not, I'm gonna...yeah

The Commonwealth of Waffland

Waffland, the land of the Waffles

All NS stats and policies (except for no divorce, prudism, and no sports) are canon

Class 3 according to [this](#) index

This nation (somewhat) reflects my irl views

Waffles will always reign as the superior breakfast food!!!

All factbooks are currently being moved over to a website instead, so please do not mind the grammatical errors and low-quality of them for now: they will be fixed (and also likely revamped)
