U2 - One Step Closer

From *How to Dismantle an Atomic Bomb* (2004)

*I'm 'round the corner from anything that's real  
I'm across the road from hope  
I'm under a bridge in a rip tide, that's taken  
Everything I call my own*

*One step closer to knowing  
One step closer to knowing*

*I'm on an island at a busy intersection  
I can't go forward, I can't turn back  
Can't see the future  
It's getting away from me  
I just watch the tail lights glowing*

*One step closer to knowing  
One step closer to knowing  
One step closer to knowing  
Knowing, knowing*

Elton John - Levon  
[Live performance, October 6, 1989](#)

*Levon wears his war wound like a crown  
He calls his child Jesus  
'Cause he likes the name  
And he sends him to the finest school in town*

*Levon, Levon likes his money  
He makes a lot they say  
Spends his days counting  
In a garage by the motorway*

*He was born a pauper to a pawn on a Christmas day  
When the New York Times said, "God is dead  
And the war's begun, Alvin' Tostig has a son today"*

*And he shall be Levon  
And he shall be a good man  
And he shall be Levon  
In tradition with the family plan*

Elton John - Goodbye Yellow Brick Road  
[Live performance, February 28, 2013](#)

*So goodbye yellow brick road  
Where the dogs of society howl  
You can't plant me in your penthouse  
I'm going back to my plough*

*Back to the howling old owl in the woods  
Hunting the horny back toad  
Oh I've finally decided my future lies  
Beyond the yellow brick road*

U2 - Gone  
From *Elevation 2001: Live from Boston* (2001)

*You gotta feel so guilty  
Got so much for so little  
Then you find that feeling just won't go away  
You're holding on to every little thing so tightly  
Till there's nothing left for you anyway  
Goodbye  
You can keep this suit of lights  
I'll be up with the sun  
I'm not coming down  
I'm not coming down, ooh*

*I'm not coming down*

*You wanted to get somewhere so badly  
You had to lose yourself along the way  
You change a name but that's okay  
It's necessary  
And what you leave behind  
You don't miss anyway*

*Goodbye  
You can keep this suit of lights  
I'll be up with the sun  
I'm not coming down  
I'm not coming down, ooh  
I'm not coming down*

Elvis Presley - If I Can Dream  
Single (1968)

*We're lost in a cloud  
With too much rain  
We're trapped in a world  
That's troubled with pain  
But as long as a man  
Has the strength to dream  
He can redeem his soul and fly  
Deep in my heart there's a trembling question  
Still I am sure that the answer gonna come somehow  
Out there in the dark, there's a beckoning candle*

*And while I can think, while I can talk  
While I can stand, while I can walk  
While I can dream, please let my dream  
Come true, right now  
Let it come true right now  
Oh yeah*

## Elvis Presley - Bridge over Troubled Water From *Elvis: That's the Way It Is* (1970)

*When you're weary, feeling small  
When tears are in your eyes, I will dry them all  
I'm on your side, oh, when times get rough  
And friends just can't be found  
Like a bridge over troubled water  
I will lay me down  
Like a bridge over troubled water  
I will lay me down*

*When you're down and out  
When you're on the street  
When evening falls so hard  
I will comfort you  
I'll take your part, oh, when darkness falls  
And pain is all around  
Like a bridge over troubled water  
I will lay me down  
Like a bridge over troubled water  
I will lay me down*

## Cradle Of Filth - *Illicitus*

**Forlornucopia, the wealth of misery  
And favoured haunts of sorrow hold no lure  
Deep swathes of gloom  
That once cocooned me in dark livery  
Now clothe me in suits ill-borrowed from the pure**

**Alas it's true  
The beast you knew  
Found breath anew  
In the taut heartstrings of love's assassin**

**She was a huntress  
And an alabaster bride  
A Venus not averse to taking sides**

**And in all my centuries  
Bar Carmilla in cerise  
Never had I fallen save for foolish pride**

**As we walked, our affrighted lanterns  
Fed the lengthy shadows with their tallow lullabies  
The fragrant night air chilled by sighted phantoms**

Clouds drew cobweb threads across a sallow moonrise

Illicitus

So capricious

Superstitious to the point of philistine  
The glue of secrecy grew paper thin  
Her beauty so delicious  
In the realm of the divine  
The cross about her throat gave up to sin

In expectation  
Her lips to find  
The crates were blazing in my stone cold cellars

That traitor love  
Once its spell ran headlong through my veins

Now I felt it roar again  
Like an urge for murder  
...Her kiss  
The paradigm of bliss  
Hot whispers on the wind  
In swanlike curves I graced salvation

Amidst both worlds I promised her  
Eternity would be beautiful

Yet, on the cusp  
I still not truly dared

Her eyes plied hard a burning will  
Beseeching on her knees  
Like Salome unfulfilled

I hung between two thieves  
Guilt and spilt desire  
Until that flame became a fire  
All consuming

With strength renewed  
I turned again  
Death all lit up my perfect victim

And she grew  
The scourge of men  
They hissed her name in perverted dictum

Now we walk, our cavorting auras  
Feed the lengthy shadows with their sullen lullabies  
The fragrant night air filled with haunting chorus  
Clouds draw cobweb threads across a bloodied moonrise

Elvis Presley - Burning Love  
From *Burning Love and Hits from His Movies, Volume 2* (1972)

*Ooh, ooh, ooh  
I feel my temperature rising  
Help me, I'm flaming  
I must be a hundred and nine  
Burning, burning, burning  
And nothing can cool me  
I just might turn into smoke  
But I feel fine*

*'Cause your kisses lift me higher  
Like a sweet song of a choir  
And you light my morning sky  
With burning love*

Chuck Berry - Johnny B. Goode  
From *Chuck Berry Is on Top* (1959)

*Deep down Louisiana close to New Orleans  
Way back up in the woods among the evergreens  
There stood a log cabin made of earth and wood  
Where lived a country boy named Johnny B. Goode  
Who never ever learned to read or write so well  
But he could play the guitar just like a ringing a bell*

Go go  
Go Johnny go

Go Johnny go

Cradle Of Filth - *Manticore*

**Write a story, any story  
But let it have dragons...**

**Oh Gods of war  
In the jungle corridor  
I feel your haughty presence feasting the Manticore**

**She stalks the shadows, burning  
The smoke is thick and reeks of blood  
Her hunger an eternal yearning**

**Tantric, necromantic, a wank fantasy of faith  
She religiously feeds a feverous all man-eater**

**In the trees I see her eyes  
Like slithering she of snakes  
Monstrous this chimera  
In her beautiful anger**

**Screaming from the pulpit  
Damnation's oratory**

**She is the whispering poison dart  
And the breath of armageddon all around  
The embodiment of evil in a body full of raptures  
Anthropophagous**

**Manticora**

**Press the silent violin of frisson over horror  
In my forced hand  
Sphinx will sing her song and coloured in lullabies  
Death endorsed invades our lands**

**Gigantic, pyromantic  
A beast of naked flame  
Panting blackened masses from her opulent Godhead**

**Ill-barbed are those tongues  
Spread wings eclipse her frame  
And in her deep crevasses Kundalini vents unfed**

**In darkness**

Her fastness threshed with fleshing teeth  
She comes to masticate you whole

She is the bane of mothers  
Grand leveller of Maa Kali's Mardi Gras  
What man would damn the world to summon her?

Be still  
Pray silence lest she stoops to conquer

The perverse acid queen  
Ten thousand pillars in her heart  
Uphold and cracked palace of frozen killers  
And the mirror in her soul  
Polished black for scrying nightmares  
Bubbles with a lust that yearns to burn again

Razor backed, she attacks  
Empire's battle cat  
A creature of the white devil's rule  
Mythical and mystical  
Provinces will recall the swarm  
Of refugees from her pall

Mimicking victims  
With a voice of the choicest deadpanned in pain  
Awful claws hold rapport with the skins of mankind

She is the whispering poison dart  
And the breath of armageddon all around  
The embodiment of evil in a valley full of raptors

A lick of fire on her lips  
As silent as a will-o'-wisp  
She comes amongst you all, tigressive  
Blazing in her pride  
Hellraising horrors from the dark-side...

Manticore

*Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.*

#### Today Is The Day - *Pain Is A Warning*

I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.
