What's the deal with rainbows? I mean sure, they are pretty, but why do people think they're gay? So there's a rainstorm, then it stops and the sun comes out. When people look at the new rainbow, do people think, "Oh, it's pretty!", or do they think, "That's gay"? What is up with that?

The Celestial Empire of the Arians - Arian Empire

The Arian Empire is a multiversal empire spanning 303 multiverses. After conquering its homeworld of Meonia through blood and fear, the empire managed to create several portals leading to other universes. The government is led by Amaranthinos, an immortal sorceress who was once a marshal of the army. She is known for her forced conversions of entire worlds and is famous for managing a harem.
