Monarchy restored in Italy following UN-organized Plebiscite on May 12, former Duce Aquilino of steps down. Socialists claim plebiscite fraudulent.

Ahh shit, I would like the democrats or socialists (though the socialists' writing seems a bit *clichéd*, to say the least) to have taken control. Monarchists do not have any difference at all from fascists.

No, no; I meant safety measures for buildings (eg in case of an emergency).
