Somewhat old nation but not many posts and not much actual national activity, so I don't know if I've seen them anywhere.

Very well known in the realms of WA and SC I'm sure of it, along with in their region (TRR). Has quite a bit of popularity in F7, but now focusing mainly on NSGP.

I've seen it a few times.

Merulla is the land of the brave, the fair and of the
heroes.

A great kingdom consisting of fifteen federative like
states, with a decentralized power, where the real king
is the Merullean people.

Come and discover Merulla, where the waves are born.

This is the first time I've seen AN out of every NS forum.

A federal left-wing nationalist country situated in a fictional world in the extended Cold War timeline. Authoritarian by Western standards, Libertarian by Eastern standards. Atomic Tech - The year is 1978.

In process of retconning, especially regarding geography and demographics.

Pretty well known.

My beliefs. Dogs and cats are both equal, racism is bad, Joe Mama jokes are funny, and TRR is better than any other region.

Not sure about outside F7 but within F7 well known

...bile, Entro i

In Italian it means

Anything is possible, within our limitations

Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you are very cultured.
