Doxing an entire High School?

Not a crime in its own substance. Could possibly be harassment and stalking charges but that is a **big** stretch.

Kidnapping YNs leader in their sleep and putting them on a cross?

Nation's views are **NOT** representative of my political views IRL, although some views may or may not match. Will **NOT** disclose which views specifically.

NS stats (civil rights/economy/political freedoms) mostly NOT canon. There are some civil rights and liberties and political freedoms in Vertillia but the government is mostly authoritarian, especially when it comes to immigration, climate change, crime, and punishment.

I guess treason since Tuirslund's leader is an Emperor.

Running a pyramid scheme.

Depends on the pyramid scheme. If it is something mild like chain mailing, then it is not an offense. However, some others that involve sending money can constitute extortion and coercion and can result in a sentence of as high as 25 years in prison.

Not a crime, as long as the rod doesn't drop and/or the Plutonium doesn't leak. If it does and people die from cancer and other health issues, the offender could face anywhere from 3 years to life in prison depending on the number of people killed and the amount of damage the plutonium has caused. And that is not to mention the fines and the lawsuits the offender will be liable for.

Still kidnapping and can still result in treason charges. Probably looking at at least 10 years in prison since it is just a 'prank.'

It depends on the severity and to some extent the time of year. At best you might get away with a K10,000 (NSD\$500) fine but if you do it during the dry season or in a fire ban area then you could face up to 20 years in prison.

This is a matter of degree. Having sex somewhere with a closed door but where people could walk in like a storage closet you will probably just get you a fine. On the street, that's going to see you spend a month in a chain gang picking up trash on the highway.

Depending on the antiquity of the objects, from 2 or 3 years in prison to a maximum of 10 and an equal amount of community service.

Depending how bad the torture was, the least you can get is a 30 year prison sentence and a fine of how much the victim wants (if they're alive), but the victim cannot ask for more than 500 thousand dollars
