No. With those laissez-faire policies, there's no way to know if the snake oil I'm buying will kill me or if the building I'm living or working in was properly inspected by neutral parties. Terrible stuff. I wouldn't even want to be a rich man. There's no reliable consistency in day-to-day affairs.

Ninja'd: No to that nation either. Too authoritarian.

Holy Heck! YES, I'd live in the above nation! It's made out of CANDY! I don't care if I get cavities or even worse die from sweets. Just the thought of being there in a little graham cracker house would be lovely. However, I'd have to be authorized or I'd get detained or fined 9000\$.....
