Death-Flesh and the Power it Holds

That's really cool. I have another NS friend that knew Kelly Shaefer. Coincidence? And, once again, great song.

Actually, yes. I've known Zirc on NS for almost two years now.

Wait a minute...he had me design some album covers for his friend or cousin's band Yuonela. Another coincidence?

Wow, I didn't know it was that long. "Zirc" is one of my uncle's best friends. My uncle played trombone with him for years. He showed me this site.

If he said his friend's nephew's band, then I owe you a thanks for our logo. ☐

Really? Small world! Which logo did you end up using? Link me perhaps?

Me and Zirc are pretty tight, as far as online forum friends go. We kind of run a region together called [Heavy Metal Heaven](#). My puppet [Vloomar](#) is there. You're welcome to join if you'd like.

Okey dokey. I'll think about it, though I'm fond of my current region. This is crazy shit lol...then again, he did give me this site and you seem pretty active on here. Guess we were bound to clash given our musical tastes.

Into Eternity-Timeless Winter

Yeah this is definitely an odd chance encounter...I'll have to give him the link to this page lol.

And about Zirconim's region, no pressure to move there or anything. But we have an active offsite forum where members discuss music and other shit. Even if you stay in Osiris, you could join our forum.

Agalloch - "You Were But A Ghost In My Arms"

EDIT: Thanks for the TG

If you use the term SJW or 'politically correct' to describe anyone left of center, I'm pretty sure that destroys all of your credibility as an intelligent human being. Quit being a twit and use something other than a buzzword to make your point.
