zevahC egroJ leads Guyana to a golden age of military, economic and cultural power.

"At the point in time when bullets can pass through the interdimensional walls, when firepower takes up the entirety and eternity of space and time, all being stuck in a neverending life and death cycle as bullets recover and destroy their bodies in quick succession, no one able to think about anything but the sheer force of the bullets rapidly flying literally everywhere in the Materium, turning the Warp itself into nothing but a sea of semi-automatic weaponry, then there will be enough Dakka. Or atleast almost." - The Emperor.

zevahC egroJ II proclaims that he's the successor to zevahC egroJ, then gets crowned king and makes Guyana a not-so-dumpster fire, and instead a military and economical powerhouse of the modern world.

zevahC ergoJ proceeds to hand over the keys of his republic, the Jorgenian Socialist Royal Republic of Guyana, to the British Commonwealth and cedes power to Queen Elizabeth I. Guyana is now forever in debt to the British Empire for saving them from poverty and affliction.
