Game of Thrones Opening Theme- Ramin Djawadi

Great song, along with the other version of the Opening Theme. There's one apparently for Dothraki, King's Landing, and Winterfell, and they are all good. Not sure if they actually ever play in the show though.

The Evpatoria Report-Eighteen Robin's Road. Epic post-rock for the win.

The Evpatoria Report-Eighteen Robin's Road. Epic post-rock for the win.

I downloaded the traditional version and the Metal cover. Both incredible.

Yes, these themes are played in the show.
