Slaves Of Fear - Amon Amarth

Genre: Melodic Death Metal

Album: Surtur Rising

*They speak of love and tolerance
They thrive on people's ignorance
To make you all slaves of fear*

*They feed on your anxiety
To build their dead society
They've kept you down for a thousand years*

*They nurture prejudice and hate
Condemn the wars that they create
In the name of whatever god*

*They gladly sacrifice your lives
Increasing power is their prize
Without regrets they'll spill your blood*

*They're feeding you lies
With calculating smiles
Enslavement of the human mind
As long as you kneel to their authority
Religion is what makes you blind*

Elton John - I'm Still Standing
[Live performance, September 4, 2013](#)

*Don't you know I'm still standing better than I ever did?
Looking like a true survivor, feeling like a little kid
I'm still standing after all this time
Picking up the pieces of my life without you on my mind*

*I'm still standing yeah yeah yeah
I'm still standing yeah yeah yeah*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

In the Name of God - Sabaton

Hide from the public eye, choose to appear when it suits you
Claim you're just, killing women and children
Fight, when you choose to fight, hide in a cave when you're hunted
Like a beast spawned from hell, utilizing fear

Chosen by god or a coward insane?
Stand up and show me your face!

Suicidal, in a trance
A religious army
Fight without a uniform and hide in the crowd
Call it holy, call it just
Authorized by heaven
Leave your wounded as they die, and call it gods will

Run when it's time to pay, fear consequence of your action
Reappear, when you're almost forgotten
Dream of a world in peace, yet you cause pain and destruction
Kill your own, a response of your actions

Captured in all you lies, fear is in your eyes
Creature who's gone insane, your war is in vain
Trapped in a cage of stone, we'll destroy your home
Consequence of your action

Ramones - My Brain Is Hanging Upside Down (Bonzo Goes to Bitburg)
From *Animal Boy* (1986)

*Bonzo goes to Bitburg then goes out for a cup of tea
As I watched it on TV somehow it really bothered me
Drank in all the bars in town for an extended foreign policy

Blessed - Decapitated

Genre: Technical Death Metal
Album: Winds Of Creation

*It was night when they came
Evil and deceit were hidden under frocks
On their necks - crosses, in their hands - swords
They came to kill on behalf of their God
Dissimilarity is imprisoned
In the darkness of the dungeons
The old faith impaled on the stake
Old holy groves were destroyed
In the name of the cross
Against other people
Against the truth
Against everyone
Against yourself
Tortures of liberated souls
Which are decaying in the cells of the ecclesiastical strongholds
The knights of good are distributing death
Spreading violence in the name of God*

Billy Joel - Allentown
From *The Nylon Curtain* (1982)

*Well we're waiting here in Allentown
For the Pennsylvania we never found
For the promises our teachers gave
If we worked hard
If we behaved
So the graduations hang on the wall
But they never really helped us at all
No they never taught us what was real
Iron and coke
And chromium steel
And we're waiting here in Allentown*

*But they've taken all the coal from the ground
And the union people crawled away*

Billy Joel - Lullabye (Goodnight, My Angel)
From *River of Dreams* (1993)

*Goodnight, my angel
Now it's time to dream
And dream how wonderful your life will be
Someday your child may cry
And if you sing this lullabye
Then in your heart
There will always be a part of me*

*Someday we'll all be gone
But lullabyes go on and on
They never die
That's how you
And I
Will be*
