A unitary semi-presidential republic.

Please remember it's spelt as Wid (as in "width"), not Vid (as in "video").

Social democracy because of the Nordic cross, but an authoritarian one because of the dark colors, and with a feminist streak because of the pink stripe. Literal "feminazis", if you will.

Illiberal democracy

Peter Kropotkin wrote, "We accustom ourselves and our children to hypocrisy, to the practice of a double-faced morality. And since the brain is ill at ease among lies, we cheat ourselves with sophistry. Hypocrisy and sophistry become the second nature of the civilized man. But a society cannot live thus; it must return to truth or cease to exist." ***The Conquest of Bread (1892)***
