Pretty well known, though their long hiatus might have made them a bit unfamiliar to some of the newer folks here.

This is really about how well known the user above you is on this site, not how well they are known in their world. And even with that, I don't use NS stats, so my actual population is way below that.

Going to have to pull a /stillme here.

I have only came across this nation once, but I don't think that he/she is unheard of in F7 and some subforums the NS forums in general.

Ek Sê!, **A Nation on Eastern Altropia**, basically an **Alternate Universe France**.
