An assault or maybe even murder charge... provided perp survives.
Cause in most such cases, he would be shot back by either a
bodyguard, sheriff, the diplomat himself, or some good guy with a
gun.

Driving T-34 tank on YN's capital main street and loudly blasting
Soviet anthem.

Though Crossoveria has a history of denouncing Communism, the
Soviet Anthem is seen as a God like anthem, so not a crime in
Crossoveria. However, driving a military tank when you are not in the
military is seen as impersonation of military, and you will be fined
\$100,000.

You may be regarded as a prophet by some, and as a heretic by others.
Mostly you'd be asked to get out of the way. Busy road and all that...

Forced labour, until the meaning of work is understood by the criminal.

A war crime that saved an entire city of your nation, but that resulted in the death of subsaharian immigrants.
