- Snowland / the Snowish Republic -

Snowland, officially the Snowish Republic, is a country located in Northern Europe. Snowland runs on democratic socialism. I'm not sure what I'll do with the Snowish Republic yet. Snowland is one of the nations of the world where there are both humans and anthropomorphic animals, and the nation is considered to be the best in the world when it comes to treatment of anthropomorphic animals.

Monkey 1600 was playing the role of Ophelia in the play Hamlet - and she took her method acting a little too seriously.

Monkey 1592 had imagined Monkey 1593 for a short story contest. He won the contest, of course, because he was the almighty William Shakespeare. Sadly, Billy Shakes is long dead, so that means we can write off Monkey Shakes as having bitten the dust.
