Not known much

Factbooks and dispatches (which are works in progress) are the primary source of information for my nation. I try to have my stats match my idea of my nation but I think policies are the stat I can control the most.

I don't dislike anyone here. Agree or disagree, we're all compadres. :-)

Have seen them around very frequently, so yes, the name itself is also iconic! A bit sad that they dropped the previous flag, but it's okay, this one is nice, too. ♥□

Incredibly well known. I mean, it's Valentine Z, need I say more? Anyone who doesn't know them has either been living under a rock or new to the entire NS scene.

Well known, at least to me anyways. Since I often get the either unfortunate or fortunate sight of them throwing themselves in suicidal wars against states more technologically superior than them all in the name of 'democracy'.
