This is a puppet of the nation, Alevuss. I have the same political stance on everything when out of character. In-character, it's a despotate, required to hold elections and certain rights by Alevian constitution since 1999. Also, the colony is called Alevuss Puppet, but is sometimes referred to as Alevian Morocco.

Yeah, I'm not too much of a fan of Tokio Hotel, just this song. Bill has very cool hair, though. A Day To Remember is a great band.

Real With Me- Cady Groves

And on my iPod, too. Finally got it setup and bought her entire EP, The Life of A Pirate. I feel accomplished, but I probably shouldn't because I just showed my laziness by leaving my iPod on a shelf in my room for almost a year, without setting it up.

Disregard this sig.
