Western Imperialist 9/10

A nation of Slavic Mars' colonists who escaped from the nuclear apocalypse of Earth. We have not the Fully Automated Luxury Gay Space Communism (and we will never be gay). Our identity.
The nation doesn't represent my views. It was created for artistic purposes and it's 0% political.
Current year: 2170.

| **Terran Commonwealth** 🇬🇧 **For the benefit of all mankind**

The British Empire reforms into the Imperial Federation and founds a global community of nations. Essentially, an EU-like UN dominated by the British Empire.

6/10. The dark bird of prey adds like three extra points.

Brief nation summary:

Imagine an unruly federation made up of a bunch of kinda Celtic-ish, sorta
Germanic-ish tribes.

Then add a government which used to be a fire-worshipping cult, drugged up
berserker soldiers and Red Jesus.
