I've never seen him before. Perhaps we frequent opposite places.

Merulla is the land of the brave, the fair and of the  
heroes.

A great kingdom consisting of fifteen federative like  
states, with a decentralized power, where the real king  
is the Merullean people.

Come and discover Merulla, where the waves are born.

Moderately well-known. Not too active or popular compared to most people, but still a (relatively) frequent name around F7.
