Man uses his newfound success to start a rock band. Or rather, *buy* a rock band, and assign himself position as lead singer. What band does he buy? Manfred Mann, because he thinks that's just hilarious.

Date: 01/18/1982

Turns out the Stasi are pillagers. Man kills one and steals his crossbow, then enchants it with a quick charge 5 book and massacres all the others. Brežněv orders Man to be executed at all costs, but Erin intervenes and kills Brežněv once he arrives. Man uses TNT to blow up the Berlin wall, and they both escape to West Germany.
