Down In The Bunker, German Oak.

good krautrock.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

### [The Sex Pistols - Submission](#)

*"All men dream, but not equally. Those who dream by night in the dusty recesses of their minds, wake in the day to find that it was vanity: but the dreamers of the day are dangerous men, for they may act on their dreams with open eyes, to make them possible."*

- T. E. Lawrence

*"Most of the vices and mortal sins condemned today correspond to inclinations that were purely adaptive or at least harmless in primitive man"*

- Konrad Lorenz
