I Am the Sea - The Who

YYYYYYYEEEEEESSSSSSSSSSSSSSSSSSSSSS!!!!!!!!!!!!!!!!!!!!

Quadrophenia is the best album in the world. I have it on 2 disc Cd and on the Original LP.

LP? Lucky! Best thing I've got is Brain Salad Surgery by ELP... though it's a later pressing. ☐

I've also Fearless by Family, it's got some great art and the music's good too.

The Three Fates - Emerson Lake and Palmer

I am not at all interested in immortality, only in the taste of tea.

Yea man, ELP rocks, I just thought it was funny that someone else would listen to such a rare Who Album. I mean, it's not really rare...but it's not popular compared to Tommy, or Who's Next. You got good taste if you like Quadrophenia.

Wow, Bafuria, with all your military knowledge and guns on other threads I would never have guessed you had this side to you. lol
Good song though.

I love that song.

"Bow Tie Daddy"- FZ

(Bow tie daddy, don't blow your top, the song is literally 33 seconds long, also, realizing how much more KMFDM borrowed lyrics from Zappa).
