The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.
--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.

Time is relevant. And I for one, have not the time to discuss it, nor your own relevance.

PROS: Things I like

CONS: Things I don't like

"If you're reading this...
Congratulations, you're alive.
If that's not something to smile about,
then I don't know what is." -Chad Sugg

"All that is gold does not glitter,
Not all those who wander are lost;
The old that is strong does not wither,
Deep roots are not reached by the frost.

From the ashes a fire shall be woken,
A light from the shadows shall spring;
Renewed shall be blade that was broken,
The crownless again shall be king."- J.R.R. Tolkien
