Date: 2/15/2029, 14 days after Hacune Miku's awakening

The anvil landed in Man's country, and somehow resurrects Jean Sibelius, Eino Kettunen, and Hacune Miku. They all decide to join Man's team, and are level 5.

“ **Liebendeland wrote:**

Man easily murders whoever Hacune Miku, Eino Kettunen, and Sibelius are.

They are the same as in real life, to some extent; Sibelius and Kettunen were resurrected by Miku on 2/3/2029.

Show Spoiler

The judge (named August) from before visits the country, with a handcuffed Kalevi Aho in his vehicle. It is revealed that he is a minion of the forum users who aim to control the world.

August: "Upon hearing of your resurrection, I have changed my mind. All of you must die!"

Man: "We refuse to yield to the regime of the forum users!"

On the way to Jeff's house, Man says "Boy, it's nice living in Dongcheng, China, during 1989. Let me just find Jeff's house, I think it's near that good ole Tiananmen square."

Liebendeland is on a small island off the western Portuguese coast.
NS stats are canon unless anything stated elsewhere contradicts them.
