All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

Secret Chiefs 3-Assassin's Blade

Probably my least favorite Secret Chiefs 3 album.

This is a pretty great song, though.

Karnivool-We Are

Dat bass

Probably my favorite song off of their newest album. Didn't really care for the album as a whole compared to their previous.

[Factbook](#)

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Why?-The Hollows

In Berlin I saw two men fuck in a dark corner of a Basketball court~

This guy has some seriously weird and random lyrics.
