Young Blood - The Naked And Famous

It's absolutely blowing my mind that this song is just a couple days from being a decade old. It feels so 2010s, like it's been there the whole time...probably because it has. But now it's the 2020s. Weird. Not sure how to feel.

Recovering alt-righter. Socialist. If you can't accurately describe socialist rhetoric and ideology, you don't get to have a voice in political discussions.

The Original Soundtrack for Black Mesa.

It's amazing. Joel Nielsen is brilliant. Apprehension, especially, is quite good.
