Either "TITO" is an acronym for one part of their armed forces or it is an incredibly popular name there.

Kabzeel, meaning "God's Gathering" in hebrew, is a *federal, dominant-party, socialist(non-marxist)constitutional monarchy* with a rich Jewish heritage dating back to it's creation in 845 CE. Today, it spans almost the entirety of Eastern Europe and is the largest predominately Jewish and female-led state in the world as it follows the doctrine of "Royal Socialism", a paternalistic conservative ideology with an emphasis on socialization, social ownership, and conservative feminism. Its relationship with Israel is noticeably rocky, but this is due to the ongoing complications between Kabzeelian and Israeli Zionism.

How can Cuba be Miami ?
It's a representation of the fact that we are a tropical paradise.

No, we are not funded by the CIA, those are baseless rumours, the CIA is not a barbaric group to fund paramilitaries like us.
