If you don't know them, you're either blind or brand new. Valentine Z is one of **the** most well known nations in the entire game.

Similarly, in the case of AN, unless you're new to the game, you've likely seen AN in the forums.

Getting decently well known, but still not quite well known

Freedom fighters according to themselves, a dangerous terrorist organization to the Federation
Disseminating a corrosive ideology amongst the corrupt Cygnus Federation
Piracy since even before founding, nothing says good times like space scurvy
Some good fun, that doesn't represent my views, but I would hope you could discern that yourself
Stats are mostly canon

Very well known

Also Hantuonia you are well known, some people don't seem to know that this thread is "How Well Known Is The AN" not "have you seen the AN before" lol
