...what?

"I listen to babby power metal".

San Tropez, Pink Floyd.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

Invisible Touch - Genesis.

Man, those guys get a bad rap they don't deserve, IMO.
