We are a leftist nation that believes in the "we" over "I". That's why we are fond of wolves, because the Alpha looks after the pack.

Stick with us, and give us loyalty, and we'll do things that benefit you, and we'll stick with you.

If you cross us, however, then as a pack, we will hunt you.

Don't underestimate us.

I'm a socialist.  
Some kind of Marxist, don't ask for a specific tendency because I don't really have one.

Welcome to Valras!

Nestled in a great mountain range, Valras is a diverse land of magic-slinging warrior monks, oriental dragons the size of mountains and giant walled citadels united under one banner by the Dorajjemi Clan of warrior monks. Factbooks will come when I get over my own laziness and get some lore done.
