"Exteriors" - A Novelist

Are these "human rights" in the room with us right now?

☐ Professional pessimist. Reactionary socialist and gamer liberationist. Coffee addict. Fun at parties ☐

Freedom is when people agree with you, and the more people you can force to act like they agree the freer society is

You are the trolley problem's conductor. You could stop the train in time but you do not. Nobody knows you're part of the equation. You satisfy your bloodlust and get away with it every time

Lynyrd Skynyrd - *God and Guns*

Not for the lyrics, more because it's one of the best post-crash Skynyrd songs.

Don Henley - *Sunset Grill*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

The [95.8 Capital FM jingles](#) from the late-1980s to the mid-1990s.

Chris Tarrant in the mornings and Neil Fox in the afternoon rush ... and in the late-1990s, Steve Penk's prank calls that even Tony Blair (the prime minister at the time) couldn't escape from.

Back then, 95.8 Capital FM had global awareness even though it was an Independent Local Radio (ILR) station for London.

These days the commercial stations struggle to get a good audience not because of the internet, but due to the absence of local flair, and the quality of today's music.
