I'm currently listening to a series of programmes on Radio 4 called Black Music in Europe: A Hidden History <https://www.bbc.co.uk/programmes/b09jd32b> for series 1 episode 1 - you'll have to open an account. It's a very interesting diversion into the music and social history of those bygone days.

Phish - *Gotta Jiboo*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.
