Symund realizes he's in the wrong time, he should be in 1066, not this year, as soon as he realizes this, the illusion of reality is broken, and Symund sees the truth, all the people that came before him, all of them man, and then, the universe is reset....

Man sings "The end of the world as we know it". Unfortunately, that ends the universe
New Universe

In the beginning there was one and that one was Gartawaan. There are three aspects of Gartawaan: Garden as creator, Owen as keeper, and Man as destroyer.
Gartawaan is god, and cannot be destroyed. The only change this thread will have after this post is that whenever "God" would be mentioned, now it will be Gartawaan.
Gartawaan creates April in his image.
April walks 10 feet.

I dunno, Terry Pratchett?

Sigh, it hurts as someone who is good at history to see people sending man to Mexico and German Reich XD

The German Reich justifying has finished and he declares war, but vastly underestimated the Reich's power.
