Nope.

"The Emperor Protects!"-Common Imperial saying

The Great Imperium of Man is a Warhammer 40k themed nation based on the human faction of the game. Though we're inspired by the Imperium of Man from the lore, I've taken certain liberties to make my nation unique from other 40k nations.

Please refer to our factbooks for NS-Stats, we don't use the official ones.

It's not too bad, but there are a lot of better options, so probably not.

No.

We do not use NS-Stats, they wouldn't make sense with the lore we're based on. Fortunately, we are not completely overpowered like many other sci-fi nations.

Nah, looks sort of terrible.

This nation is based on (a slightly more extreme version of) my IRL opinions, and I answer issues accordingly.
