The Best is Yet to Come

The Avant-Gardist State of Patagonia ~~~ Gauchos and Mapuches, orgies and parties, avant-garde art, futurism, syndicalism, the New Man, general strikes, the glorification of violence, spiritual nationalism, esoteric occultism, CIA spooks, Spartanian homosexuality, public sodomy, and more

Triomphe du Surréalisme (1968)

- There are many things said about Patagonia but few actually know what goes on behind the Andes mountains. Tales of human depravation and man's inner darkest self run wild. A place where avant-garde culture flourish and the artist don't fear the censor. Where all live bold and free under the gaze of the Patron. Yet all dreams will come to an end soon...
- Not expecting an essay. Just a couple of sentences that shows that you know my work well enough

Caravan Police - *Swing, Brothers, Swing*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.
