I probably don't understand most of the ideas (ideologies) he is fighting for, but from boiling it down, it seems that his clan fought against a tyrannical ruler (just like Shortstar) of a some far-away land, won, and made it a better place. "I find that such a dislike for the style one prefers to walk is ridiculous. I've seen many, two, four, eight, six, the old demon king held a greatsword in his hand and crawled with the other when he frenzied he held it in his mouth.

And others walked on two legs, it doesn't matter what one is, it doesn't matter what they use, it all depends on the individual.

If one has a corrupt mindset this will lead them down a dark path.

If one holds a holy path they tend to head down a path of light.

Light can be corrupted, and some dark may be purified, some may dance between right and wrong.

I believe that is what should be focused on, maybe this conflict will be resolved and one day the distaste will be forgotten for better or for worse."-The first king

[Holly Aceline "De Stralend en Wonderbaartijk Licht Koningin Van Haar Mooie Universum"](#) [Aurora Symantha Vreugde Astrid Lavender Lexis Lilac Harmony Tsi.](#) [Marlie Nova Radiant Lapia Starlight](#) would have been exploring around her own world and flying around tree after tree, looking at the very magical world that she has created. Just then, she realised that she might have a visitor, shivering and perhaps regretting his decision to come into her dimension. She slowly and gently descended down and, with her 3.1 meter stature, looked at the man.

"Ahhh, Mr. Fernando! Or Punong Fernando, as I have realised! You seem... such a daring man to stumble into my place without permission. Don't think for a second that you think you can come to my place and give me orders, for you will know what's the horror of sub-zero temperatures!" Holly extended her butterfly wings, revealing a colorful and bright yet terrifying visage given the size, "Well, I am going to be rather... negative as of now. But I suppose that there is no harm in having you around and seeing you free with every breath. Fascism, what an ugly thing... from what I have read, at least." She left the man to his own devices, though she was generous enough to open up a portal 15 meters away from him. For now, she has no such concerns with a man like him wandering around. The frost is ahead of him..

OFFICE OF THE PREMIER

Regarding Shawn Bjomson of "Skyhooked".

Quebec isn't against evolution, and as the international community shifts more and more

towards a borderless world, it falls upon nations like Quebec to remind leaders such as Monsieur Bjornson that borders still, in-fact, exist, and national sovereignty isn't an idea that is going to fall to the wayside because definitive borderless territories like the Free Anarchy of Skyhooked exists.

There are certain ideas that are universal, however. The Church, Crime, Languages, and Bloodtypes. Also notably legal imperialism. The idea that it falls upon leaders like Bjornson to uphold their domestic customs in foreign land, and while not officially owning jurisdiction over another territory, that won't stop "pirates and privateers" from doing so anyway, because of a vague morality that lacks recognition.

For this we are forced to condemn the existing leadership of the Skyhooked Free Territories. An affront for international legislation, a lack of respect for a nation's right of the homeland, and the leadership or lack thereof that Bjornson imposes makes Skyhooked a "forced un-ally" of the Republic.

~ 24th Premier of Quebec, Reverend Cédric Lesage.
