United, We thrive. Divided, we die!

Simonia, a nation that's both united and divided: So we both thrive and die? Makes sense. I'm not surprised by that statement.

Now the moderation team really IS Godmoding.

Ladies and Gentlemen, we have just received word that the Moderation team has launched 329854920850035693538543089345435 nukes heading straight towards our country and it will kill 458034585348934588524538 of our citizens. This is a time of mourning for those who will be lost.'

The worst part about these nukes is that they are "Super Duper Mega Ultra Hyper Indestructible", and none of our Anti-Missile technology will work on them.

"Well, why can't we just pass it off as godmoding?"
Well Mr. Harperlunch, it's the moderation team. I don't want to potentially feel the wrath of the DEAT-o-nuclear bomb.
"Fair."

Well, ladies and gentlemen, it's been fun, but...
bomb descends on Capital Building
goodbye.

K-pop and Indonesian politics are two things I did not expect in one sentence.

*"Sing, O goddess, the anger of Achilles son of Peleus, that brought countless ills upon the Achaeans."*

- The Iliad, Book I

## The Reformed Hellenic Kingdom of Sarvanti

*"Blessed be the Children of Olympus."*
