Monkey 4960 knew that Monkey 4959 was going to die a gruesome death, so he shot himself in the head because he didn't want to see that.

Monkey 4959 died peacefully in his sleep, rendering monkey 4960's death pointless.

Monkey 4948 posed as a rabbit to avoid dying during monkey hunting season.

It overlapped with rabbit season.

Ketamine with Yoda, Monkey 4947 snorted.

Of an overdose, he died.

His last words, these were.

Monkey 4946 was worried that Monkey 4947's last words were rickroll, so he did not want to know them. After three days of incessant pondering of what it could be, he debated whether or not to go check it out, he then was [REDACTED] by three [REDACTED] who [REDACTED] him until he became [REDACTED].

Following the incident with monkey 4943, Monkey 4941 decided to go to the store and buy all the toilet paper and hand sanitizer. Unfortunately, so did a bunch of much larger humans. During the stampede into the store, Monkey 4941 was trampled to death by like minded individuals.
