*** One-day ban for flaming. ***

You have acquired an unofficial warning for flaming already. I would strongly advise you to read up on the [rules](#). It's probably best to read the whole thing, given your recent ban for spamming, but I'll direct you attention to the section on [flaming](#) in particular. Directing profanity towards another player is a textbook example of flaming. So don't do that anymore.

The ban applies to you, the player, not merely the nation. If you wish to appeal, you may do so via a [GHR](#).
