Monkey 6498 went on Reddit for the first time and lost his faith in every related species as a result. He then decided to take a trip to Metropolis to recover.

Unfortunately for him, he lived in the Man of Steel universe.

Monkey 6497 attempted to re-enact the War of 1812 in Washington D.C.

"The Barons of England demanded the Security of Law *for Themselves*, the Patriots of America proclaimed the Security and Protection *for All*. **All men are equal before the Law.** No matter upon what spot of the Earth's surface they were born; no matter whether an Asiatic or African, a European or an American Sun first burned upon them; no matter whether citizens or strangers, no matter whether rich or poor, no matter whether wise or simple, no matter whether strong or weak, this new Magna Carta to Mankind declares the rights of All to Life and

Liberty and Property are Equal Before the Law."

Monkey #6471 was a fine little chimp. He thrived in the great forests of the Amazon, and his life was sure to be enjoyable.

However, one fateful day... A monkeyed version of Thanos came, who felt as if the only way to save the primate race was to kill off half the entire chimp population through the Monkeyfinitude Gauntlet

The little chimp fought bravely, as well as many of the strongest gorillas, orangutans, and King Kongs there were, but Monkey Thanos still prevailed...

That villainous creature then snapped his hairy, magnificent, and terrifyingly powerful monkey fingers, and...

Monkey #6471 turned into Monkey Dust #1

Monkey 6742 was killed under the order of Ms. Olivia Koyinsola, then Minister of Health of the African Union in 2070, due to a HIV outbreak near Monrovia in the Republic of Freetown.

In a broken world after a disastrous WWII using nukes, AI and ethnobioweapons in 2058 that wiped out all humans but blacks, a group of determined merchants and their allies decided to stop the collapse of civilization. They established the Enugu League and later the Onitsha Empire. Under the guidance of leaders such as Joseph Ijeawele, Jessica Udene and Victoria Machie they struggled very hard to resist decline at all costs..

This year was 2091. The disastrous Teen Rebellion caused by Jonah Nyagura and Juliet Udene's disastrous education policies entered its eighteenth year. Jessica Udene, now the queen, was desperately negotiating with rebels. A daughter of a prominent business owner, Victoria Machie, just became the new Minister of Defense, succeeding Nyagura ally Emmanuel Nduka...
