Well, I'm not a huge fan of living in nations with a dominant religion (however hypocritical I may seem saying this), but this one seems rather pleasant. Count me in.

### THE PEOPLE □ ETERNAL

" We will not bow to your dictation. We are free. We bled to be free. Who are you to tell us what we may and may not do? **We stopped being your slaves an era ago.** "

**South Reinkalistan** is a massive, ecologically-diverse nation notable for its roving student militias and widespread hatred for the elderly. In the midst of a room-temperature cultural revolution that's lost its momentum, the Party carefully plans its next move. As the brittle bones of fragile empires begin to crack beneath their own weight, history's symphony reaches crescendo pitch. The future is all but certain.

Skyhooked is MT/PMT with a few FT elements. Military is factbook only. NS stats are mostly non canon.

No. Too many guns, too much alcohol, too many drugs and a general lack of decency or modesty makes Skyhooked very unappealing.
