[Chronixx - Champion](#)

*"Life has it's way
Of turning the grey skies blue
But sometimes the sky
Come tumbling down on you
But of this one thing I'm sure..
Jah Jah never give I more than what I can bear
Sometimes the road get dark and it feels like no one cares
Friends and family they are gone
But I will overcome
'Cause I am a champion..."*

Radiohead-Little By Little

I haven't really given this Radiohead album a true opinion as a "Critic", but while I like it, partly because I don't have any specific love connection with older Radiohead and have a connection with this album from me listening to it before becoming a more serious musical critic, while having interesting sounds, some of these songs do in fact feel kinda weak. I like the first song quite a bit, but this song and the one before it are really only okay.

Radiohead-Lotus Flower

Thom Yorke's dancing to this song is revolutionary.

...Okay, maybe not.

Radiohead-Codex

Sleight of hand
Jump off the end
Into a clear lake
No one around
Just dragonflies
Flying side to side
No one gets hurt
You've done nothing wrong

Part of me just wants to buy this album for the 2nd half, but when it feels like the 2nd half is better than the first half, I'm not sure I want to buy an album solely because of that.
