***The Dominion of Upper Nan: a technologically-advanced technocratic, national-syndicalist state where the people are mostly left to their own devices and given generous benefits so long as they obey the (numerous) laws and don't get any clever ideas about challenging the State's authority or bringing back democracy.***

Largely inspired by *Judge Dredd*, Plato's *Republic*, and the political philosophies of Juan Perón and (to a lesser extant) António de Oliveira Salazar.

Nah, the 2nd Uprising was more dormant than entirely neutralized during Phase 1. Phase 1 began in November 2020, but was partially neutralized around May or June of 2021. Some peaceful and a few violent protests took place between Summer 2021 and today, which were related to the cause for the Uprising. The violence resumed at its pre-June 2021 levels on March 16 and it even escalated to the point that more people died in this phase than in Phase 1 (25,000 people died in Phase 1 which lasted for 210-something days, almost 70,000 people have been killed in Phase 2 as of today, which is only Day 39). Which is why I call it a revival and not a new Uprising.
