MAJOR WORK IN PROGRESS

[•REC] "Hello fellow citizens in the DOME"

We are aware that there are some rumors about [us](#) but we would like to confirm that we are NOT a dictatorship despite the rumors. We are simply a necessary iron fist that are here to protect humanity from [demons](#) in exchange for your protection God and President Atlas demand your cooperation to serve God and the greater collective of humanity. We still would like to reassure you that we are a relatively normal place just like our neighbor [Kanto](#) who we deeply care about and hope are still around after these hundreds of years of our isolation. Maybe one day we will check on them once we have our own problems sorted out.
