In other words — and this is the rock solid principle on which the whole of the Corporation's Galaxy-wide success is founded — their fundamental design flaws are completely hidden by their superficial design flaws.

[Nine Inch Nails-Closer](#)

This song has much more.....disturbing lyrics then I realized when I talked about actually liking this Nine Inch Nails song while hearing it on the radio.

Edit: Meh, I've heard more disturbing lyrics. I think, after reading some comments, I get the intentions of the lyrics more.
