Ouch, that's a tough question. Depends on the album really, but overall I'd say Woods of Ypres. According to my Last.fm at least. I'm glad you didn't also throw in Woods of Desolation, they're an amazing band as well ☐

Blind Guardian - Valhalla

To all of the above, my vote goes to Woods of Ypres.

In The Woods... - "HEart of Ages"

By the way, for anyone who cares, In The Woods... announced that they are getting back together soon after over a decade. If this means a new album, I will be very excited.
