How evil is PIFBT? Judging by their flag, 4/10, since the colour pink does have connotations with love. But then again, it is gas, which can be suffocating, so that stops it from getting a lower rating.

Nah. That flag looks quite peaceful. Probs the most violent thing is the antlers that could be used to stab someone, I guess? Other than that, not much. 2/10

8/10. Coffee shops (and donut shops) aren't exactly well known for how they treat their workers.

It looks evil, but I also get the vibe that looks might be deceiving in this case, so : 5/10

5/10. the color combinations don't look very evil-esque on their own, but also wouldn't seem too out-of-place if they were put in an evil position, the center has something imperial-looking about it.
