Sure thing, it seems like a nice place with an interesting culture. I'm not Jewish, but if they let me in I'd move there.

Edit: Ninja'd.

I don't really know much about AN, but probably.

Uh... but those two policies are *not* canon. If you are judging by policies (or partly), then [please read this](#) before doing so.

Now... as for AN:

Would I live in Sahraliya? Uh... nope. Heck, its even illegal to enter their nation so it probably wouldn't be worth the trouble.

Would I live in Coryanhafflaruda? Yeah, of course! It seems quite nice there.

AN Paradeavdnlisian States: I probably will.

now I'm gonna /bump coryan because I will apply the same thing to coryan as I did Paradeavdnlisian.

Sahraliya: you won't agree with my ideology because you are allies with the McCarthyists in Hong Kong, and that if I even joined, I would be persecuted by your nation for welding a Hammer and Sickle. Macau, HK, and Tibet belong to China, because if you want the British or Taiwan to absorb you, I can see harsh punishments in the future just like in 1997 and you'll be begging for the return of China. so... no... I will not be visiting this country anytime soon.
