Made to clean it up.

Public indecency.

Alternate timeline where the French Republic does an oopsie and gets booted out of the mainland to be replaced by the semi-fascist nation of the French Popular State.

still figuring out what all the buttons at the top of this do

Impersonating a police officer will easily land you several days in the jail and a lot of fines and community services, if the particular officer also decides that

Public whipping.

Burning down the national museum?

If this is intentional, the principal crime is arson and other charges for destruction of protected objects may too lie.

Not a crime?

EDIT:

Not criminalized on the grounds that we have no concept of internet.

How about the charges that our very own Rumokan Brogushran was arrested on
- murdering 16 people, with most of these murders premeditated?

Jail for up to 5 years on a first time offense, adding a year for each repeated offense, confiscation of the items (drugs, smoking, and alcohol are all banned).

Accidental manslaughter via accidental making of mustard gas? (I wanted to give a unique and rare scenario)
