I need to go to a live show sometime. Especially Mastodon. Browsing through their catalog this morning to send stuff to Corrian made me wonder how epic that would be.

They are terrible at vocals live but it's still a great experience if you like Mastodon.

The Madness and the Damage Done, Shining.

this is huh wow

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

Oh, you're welcome. ☐

If you enjoy Celtic music, I invite you to listen to Capercaillie's rendition of [Ailein Duinn](#). It's, to this day, one of my favorite Celtic songs.

Since you like *Fear a' Bhata*, here's a version from Capercaillie:  
[http://www.youtube.com/watch?v=A5muVg\\_ZWek](http://www.youtube.com/watch?v=A5muVg_ZWek)

This one's very slow but gorgeous nevertheless. I love Celtic music, it's so simple yet so full of emotions and it can elate you and sadden you at the same time. Beautiful music.
